#### Supplies:

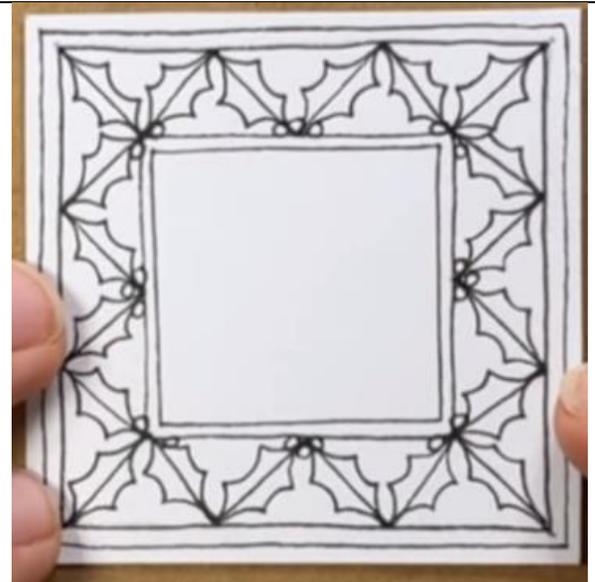

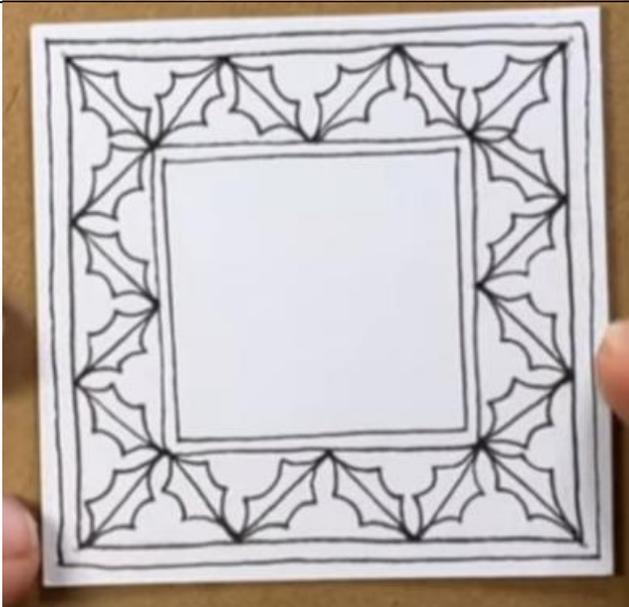

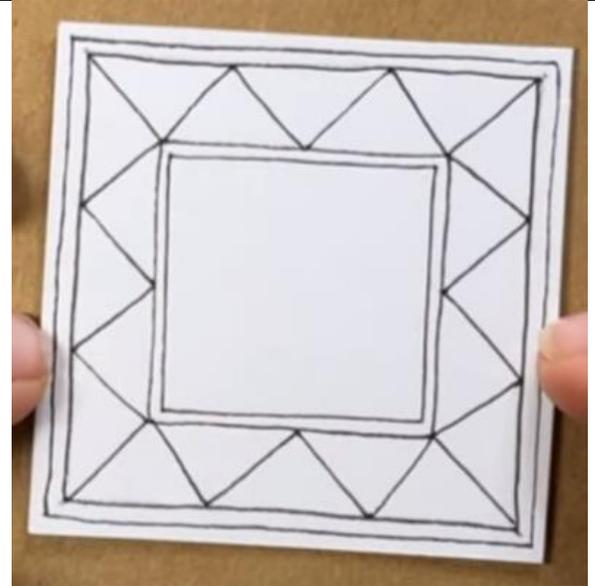

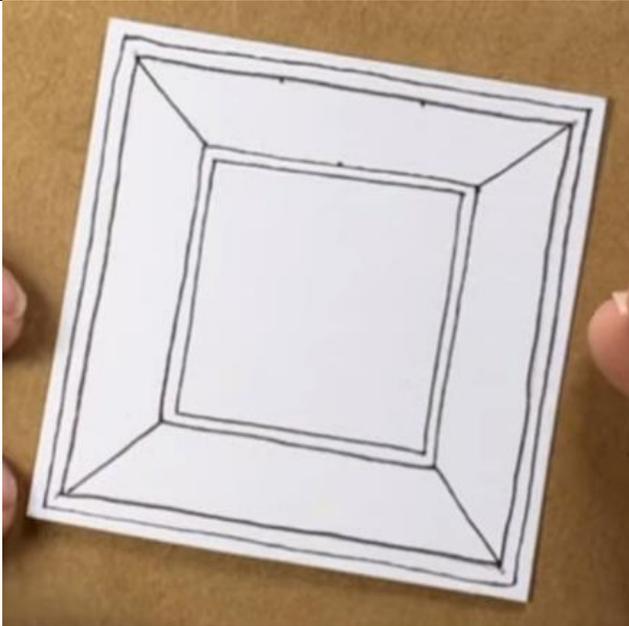

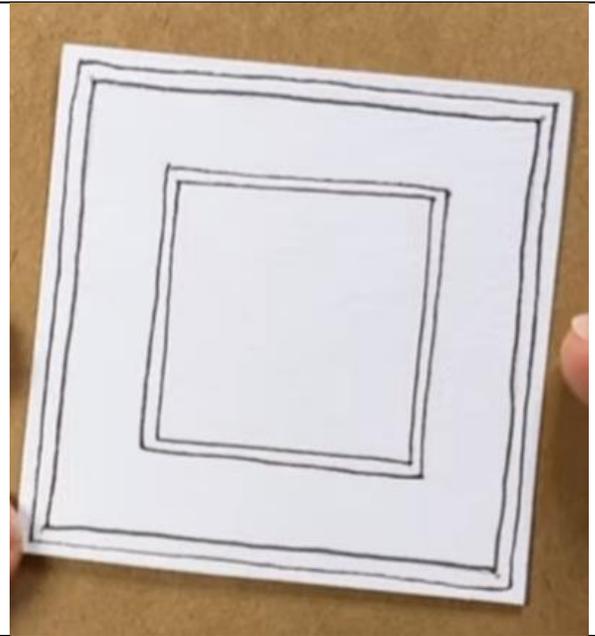

- Paper or Zentangle Tile (Supplied)
- Pencil
- Ruler (if desired)
- Eraser
- Micron Pen – 01, 03 or 05

#### Optional:

- Tortillon (paper blender) - not required, you can use a tissue or hard eraser to blend pencil shading
- Coloured pencils, pastels, markers to colour your Tangle if desired!
- Gold or Silver Gelly Roll pen, or similar type marker.

## Holly Lane

1. Put pencil dots in the four corners.
2. Join dots with pen.
3. Put pencil dots about 1cm diagonally in from the first line.
4. Join dots with pen.
5. Aura (parallel line) outside of outside line, and aura inside of inside line.
6. Draw diagonal from each corner.
7. Mark dot in centre of smaller square, and then a dot about halfway between that dot and the inside corner. Draw zig zag lines.
8. Draw Holly on each of those lines.
9. Add holly berries as desired or as shown.

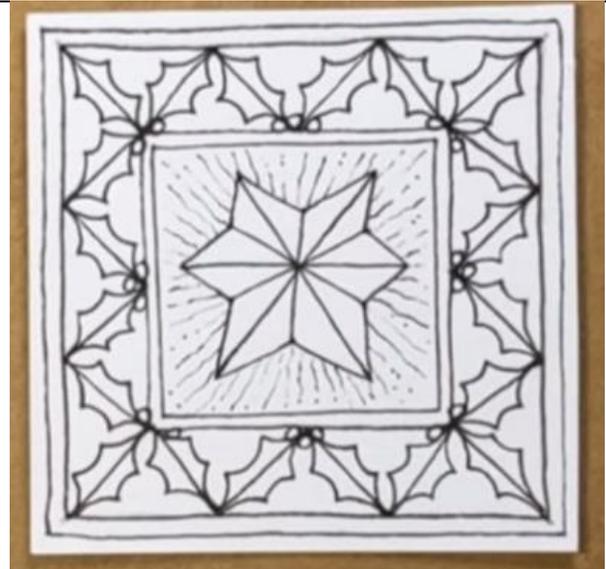

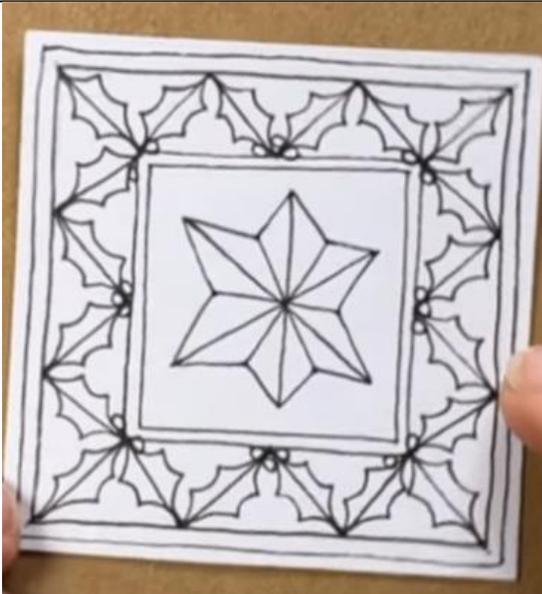

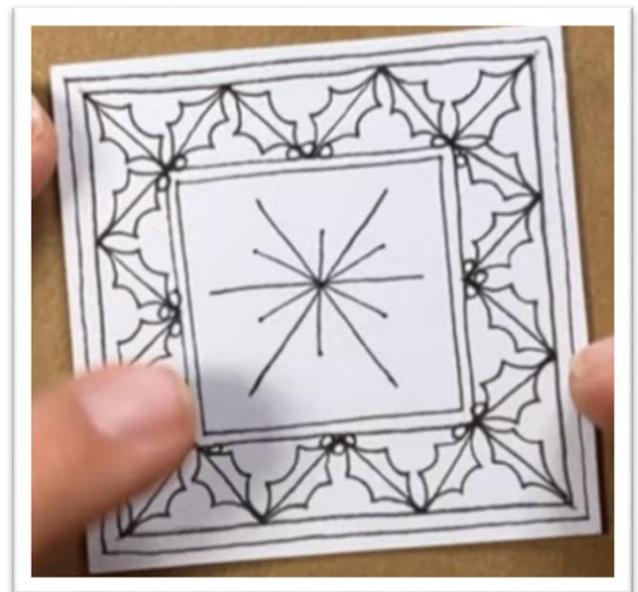

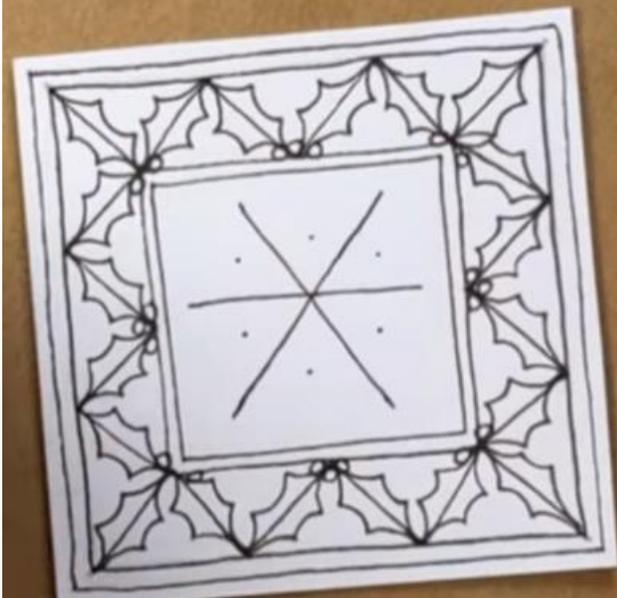

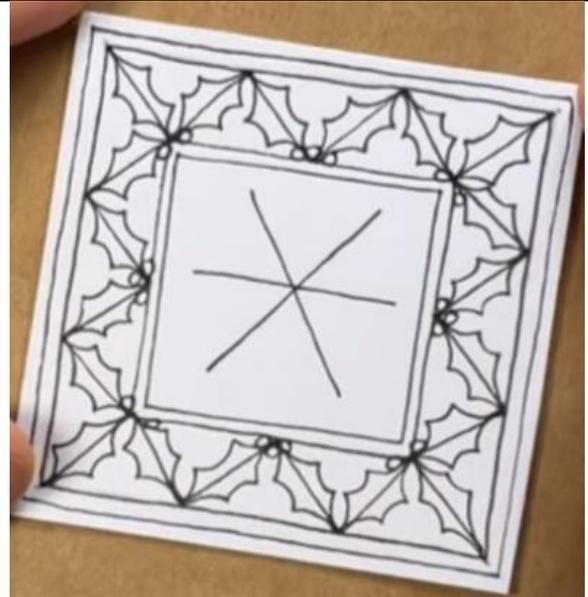

### Gneiss

1. Draw a six pointed "star" in the centre area.
2. Put dots about middle of the "triangles" created and join them as shown.
3. Join outside line to inside line as shown.

### Msst

1. Draw lines that fade towards the outside radiating out from the centre of the "star".

### Alternate to Msst

1. Draw line from inside points of star to edge of inner box so they look like they're radiating out of the star.
2. Aura those lines.
3. Aura the outside of the star between the radiating lines.
4. Aura the radiating lines.
5. Aura the star.
6. Keep alternating until you run out of space, then fill the rest of the space with radiating lines.
